Deron Jett Recognized for Excellence in Operations Management and Sales and Business Development

Deron Jett is affiliated with the International Facility Management Association

CINCINNATI, OH, November 19, 2015, Deron Jett, Chief Executive Officer and President of Onsite Management Group (OMG, LLC), has been recognized by Worldwide Branding for showing dedication, leadership and excellence in operations management, sales and business development.

With more than two decades of practiced industry experience, Mr. Jett is uniquely qualified to manage and oversee a variety of tasks on behalf of OMG, LLC, a Professional Managed Services firm. On a day-to-day basis, in his roles as President and CEO, Deron leads company operations and strategic direction with full responsibility for bottom-line factors, and develops an executive team of direct reports to provide fiscal, strategic and operational leadership to improve operating results. In addition, he streamlines OMG's operations by overseeing the Finance and Human Resources departments and develops the tools necessary to provide value-added services to all of the company's customers.

Mr. Jett affiliates himself with the International Facility Management Association (IFMA) and the Mail Systems Management Association (MSMA). He is the recipient of the Chairman's Award and Performance Achievement Award from Liberty Mutual Insurance Holdings. The highlight of his career has been delivering millions in savings for various industries, such as health care, education, insurance and finance.

About OMG

Based in Louisville, KY, Onsite Management Group (OMG, LLC) was established in 1992 as a Professional Managed Services firm. What differentiates OMG from its competitors is the fact that, even though the firm is growing rapidly, it ensures all of its clients have real-time access to all levels of management and executive teams. Year-upon-year it continues to provide substantial cost savings to its clients.

OMG specializes in the onsite management of:

Corporate Digital Mail Centers

Print/Copy Center Management

Document Scanning and Imaging

Logistics/Courier Management

Supplies Management

Switchboard and Reception Area Operation, and other professional office services.

OMG started with two local accounts and has grown to a Fortune 500 client base nationally.

In addition:

All cost savings realized for the client goes directly back to the client. For all new accounts, OMG offers a software based transition plan taking into consideration all aspects of our client's business and culture. OMG provides professional industry knowledge and on-site one-on-one consulting recommendations. OMG's invoice and billing structure is simple and detailed.

Deron Jett, CEO of OMG, oversees all planning and implementation stages of high level projects and promotes the continuous streamlining of workflow processes for some of the largest companies in the national markets of Kentucky, Ohio, Indiana, California, Michigan and North Carolina. The consulting arm of OMG has expanded to areas across the United States. For additional information regarding OMG, LLC, please visit <http://www.omgservices.com>.
