### **CONGRATULATIONS**

As our second annual **Employee of the Year** program comes to a close, it is our pleasure to once again look to our client site in Fairfield, California for this year's winner. Ultimately, this honor is a peer selected program, and based on voting from the selection committee, none other than our CA team member, **Jason Windrix**, was recognized by his peers as the individual whom exhibited "all the right things" to earn him the title of **OMG Employee of the Year for 2014**.

The client representative at our CA site, our Director of Operations, Brandin Parrett were on hand to present Jason with his gift certificate and plaque. Congratulations Jason!!!!

#### Added Kudos:

Louisville client liaison shared "I just want to take this opportunity to let you know how much we appreciate **Mary Seng** and all she does. Mary is so polite and always has a smile on her face. Mary never complains when we have a lot of mail that has to be mailed out daily. Thanks Mary for all you do, you are

wonderful!”

Congratulations **Edwin Toy** for earning your Mail Design Professional Certification.

Sue Levanger shared that “**Tammie Ewell**, has gone above and beyond in her role as OMG, LLC Benefits Administrator. A few months ago, I was injured in a car accident. Tammie contacted me to say I was entitled to some additional benefits, I had assumed that was simply for Short Term Disability and said “that is okay – I am fine”. Clearly, with Tammie’s expertise, that wasn’t the response she wanted – so she then calmly took me through some of the coverage I had purchased which included cash payment for various elements of my accident. This was money I would have left on the table. Over the course of 2 months gathered all the necessary documentation and Tammie submitted it for me. Within, 9 days, I had a check which enabled me to pay off the difference owed on my totaled car. What a relief that was and how grateful I am that someone didn’t just say “okay” but fought for me to get some assistance.

Tammie has done this in other ways too – but I am truly grateful for the efforts she made during this time of my life. Shout Out! Kudo’s! and a huge **THANK**

**YOU!”**
